APPLIANCES & COOKWARE

ABOUT  
US

## INTRODUCTION

Harsh Enterprises, founded in the year 2000 started with small scale manufacturing of kitchen appliances & cookware at Bhiwandi, in the outskirts of central Mumbai under Brand "Orange" Harsh Enterprises is a leading manufacturing company in small kitchen appliances & cookware. This widely recognized position has been achieved over years of hard work, innovations, commitment of quality & reliable customer service with committed schedule & time bound delivery.

## PRODUCT RANGE

Today "Orange" is a prominent & popular brand for their outstanding quality & practical designs. Our wide range of Non-Stick Cookware, Hard Anodized Cookware, Aluminum Pressure Cookers & LPG Stoves with stainless steel & Glass Top, all ensure that the composition is sturdy and environment-friendly.

## ADVANCE MANUFACTURING

Our advance manufacturing facility which comprises of 1,25,000 Sq. ft. near Central Mumbai ensures high quality products. In house research and development is an integral part of the Harsh Enterprises and our engineering team uses latest technology and advanced machinery to offer their customer excellent products. We follow principles of strenuous hard work, supreme quality & continual innovation.

## QUALITY MANAGEMENT & CERTIFICATION

Company is ISO 9001-2015 certified & all our products are ISI certified in respective category of product line.

## HEAD OFFICE

The company has its head office in Mumbai the financial capital of "India". It has expanded its manufacturing capacity, operations, geographical reach & customer base globally. Today our products are marketed in domestic sectors and also exported to Asia, Africa, Middle & Far East.
